1Day Start-Up & Verification

Contact For Quote

For those that need help with a product installation & verification, this package is perfect for you! A Pyxis Lab® certified representative will conduct a one-day product start-up, calibration & setup verification.

- Initial Product Start-Up
- Product Calibration
- Product Setup Verification

FactoryService

\$199

Purchasable anytime after purchasing a Pyxis Lab® product, our FactoryService program offers annual product cleaning & factory certified calibration. The cleaning & calibration procedures are conducted by the Pyxis Lab® factory & includes a Pyxis Lab® Validation Sticker.

- Purchasable after Purchase of a Pyxis Lab® Product
- Annual Product Cleaning & Calibration
- Includes Pyxis Lab® Validation Sticker
- Performed by the Pyxis Lab® Factory

FactoryPro

\$299

Our FactoryPro program offers the same benefits as the FactoryService program (annual product cleaning & calibration performed by the Pyxis Lab® factory, a Pyxis Lab® Validation Sticker) but also covers cost of repair or replacement of product parts!

- Purchasable after 13 Month Factory Warranty
- Annual Product Cleaning & Calibration
- Includes Pyxis Lab® Validation Sticker
- Repair or Replacement of Parts
- Performed by the Pyxis Lab® Factory
